# ROBINSON AGADIR

Into the dreamlike world of 1001 nights! Situated directly on the long, gently sloping sandy beach, the ROBINSON AGADIR shines with its oriental architecture like a small, magnificent oasis in the middle of the dunes.

After a game of golf against the stunning backdrop of the Atlas Mountains or surfing on the vastness of the Atlantic, you can indulge in our WellFit offers. How about a visit to the oriental hammam? Afterwards, your mind will be clear for lots of new ideas. Extraordinary inspirations like a trip to the magical city of Marrakesh will round off the journey and ensure successful workshops.
