ROBINSON DJERBA BAHIYA

Definitely not a mirage: the ROBINSON DJERBA BAHIYA grows out of the middle of a golden sandy beach like a green oasis. The stunning property rises up as a gleaming white fairytale palace – a sight that is simply WOW. The oriental flair of our beautiful club extends to the Tunisian hammam, the daybeds by the pool and the Moorish café.

Not far from our club is a lush green 27-hole golf course with a fantastic sea view. Speaking of the sea: after working up a sweat in GroupFitness, cooling off in the turquoise waters of the Mediterranean is truly refreshing. Here you'll find the perfect conditions for unforgettable team experiences.
