# ROBINSON KHAO LAK

As your gaze wanders through the lush green garden paradise and you find yourself standing on the kilometre-long sandy beach after just a few steps, then you know: you've found happiness here at the ROBINSON KHAO LAK. And a little bit of happiness is good for everyone, including your colleagues and employees. The fantastic location of our Thai club directly by the turquoise blue sea provides the perfect backdrop for a dream holiday or even a dream workshop. The walk and talk on the beach brings you together as a team. And the food? A delight, and it always tastes better when enjoyed together.
