# ROBINSON KYLLINI BEACH

This vacation is typically Greek: blue and white are the predominant colours at ROBINSON KYLLINI BEACH. Typical local specialties will delight your taste buds and the spacious club exudes the atmosphere of Greek hospitality. The eleven kilometre long, fine sandy beach is right at your doorstep.

Sounds good? It's even better! Our open air WellFit area is ideal for recharging your batteries because the next action is sure to come: For example, an extensive tennis match or a training session on one of our ten clay courts. Many other sports such as archery, beach volleyball or soccer strengthen the team chemistry.
