# ROBINSON SOMA BAY

A paradise for sun worshippers, the ROBINSON SOMA BAY. Explore the underwater world of the Red Sea with snorkeling or conquer the waves with a surfboard.

There's also plenty to experience on land! Whether it's an action-packed off-road safari or an exciting game of golf, here you can unwind and gather new motivation.

The gently thumping bass during the sunset boat tour are the perfect ending to an eventful workshop day. And while the sky slowly turns red, you enjoy an ice cold cocktail. Simply delicious!
